

PORTUGAL COAST & WINE 2019

May 26 to June 7, 2019

Portugal is an independent country since 1143 and its frontiers have remained unchanged since the 13th century. One of the oldest in the world.

Join us in an unforgettable bike tour around our history, culture, gastronomy, famous wineries, valleys, mountains and cost line.

We will take you in a 13 day tailor made exclusive tour. A Premium Experience all around!

Each day you can **follow the tour leader or ride independently with GPS navigation and/or old fashion Road Book on paper.**

One of the special features is that we can truck in/out your bike so you can **avoid the long road trip to Portugal.** The transport is made in special individual cages.

Let us be your host for these days and guide you! Ride with us!
